Translation: You MUST attempt these on the test. I will not accept a test with blanks. Mark this section up. Write notes. Identify the subject, verb, direct object. If you do not know what a word means, guess. Check the vocabulary section and see if that word is listed there. We have spent way too much time translating for you to throw away all of these points.

1. Magister noster me laudat et te cras laudabit.
2. Liberi viri pericula nostra superabunt.
3. Culpas multas semper habebimus.
4. Sine philosophiā non valemus.
5. Nihil est sine culpā; sumus boni, si paucas culpas habemus.
6. Tum paucos viros in patriā tuā conservabunt.
7. Nauta feminis multa dona et basia dant.
