Mythological Couples Notes

Insert your notes from the Mythological Couples presentations that we did on February 14 and 15.

Second, Third, and Fifth Periods will have these notes.

Sixth and Seventh Periods will not have these notes-simply put this as a line on Number 19 of your Table of Contents and put nothing in the binder.

If you were absent on February 15, you will not have this assignment in your binder. Simply put the title on your Table of Contents and then put nothing in the binder.
